

Our Responsibility:

- › Furnish equipment in good working condition
- › Account for any major repair or breakdown due to defective material(s) or workmanship

Customer's Responsibility:

- › Properly maintain the equipment (including but not limited to greasing, oil and filter changes, fuel supply)
- › Return equipment in the same condition as it was received, excluding normal wear
- › Report to the dealer any mechanical issues
- › Account for damages to equipment due to abuse or neglect
- › Accept full liability of actions during use
- › Properly secure equipment at all times

Charges begin when equipment leaves our lot and end when it returns. We do not offer hourly rates, and all rentals have a one day minimum.

Rates are based on:

- › A maximum of 8 hrs operation / 24 hr day
- › 40 hrs / 7 day week
- › 160 hrs / 28 days (4 week period)

Total charges include:

Sales Tax, *Rental Protection Plan, EPA fee, delivery and / or pickup fees, Texas State Heavy Equipment Inventory Tax (HEIT), and the Texas Emissions Reduction Plan (TERP) the Off-Road, Heavy-Duty Diesel Equipment Surcharge

Additional Fees:

- › Prorated hourly fees that exceed maximum rental period
- › Cleaning fee for excessive concrete, asphalt, or animal excrement
- › Any and all abuse or damage to equipment
- › Fuel charge of \$7.00 per gallon if equipment is returned without a full tank (extra fuel is not provided)

All equipment is subject to availability.

*Rental Protection Plan

This is not insurance. It covers theft and vandalism if the customer has made a reasonable effort to keep the equipment safe. The fee is 15% of the rental amount. Covered events incur a 20% deductible. If you do not want to pay for the Rental Protection Plan, then you will want to provide a certificate of insurance. We can work directly with your insurance agent.
